Fall is here, right?!

We are all waiting for a little cooler weather and a lot less mosquitoes here at Strive. We celebrated DSP week in September, and the residents enjoyed painting pots for Aloe Vera plants to be given to the staff. Football tailgating, a garage sale, and a special outing to a concert filled our September.

As the holidays come near, remember that we have our family room area in Building II available for you to spend quality private time with your loved one.

Call Anne or Katrina for reservations!
